Karate 4 Kids USA does not have many rules. However, the rules that we do *have* are very important. In order to run classes and belt testings efficiently, we need our students to be on the mat **on-time**. **Let's get** on board and **follow** these simple rules:

If you bring your child late for class, your child will be asked to wait by the side of the mat until the instructor acknowledges him/her and admits him/her into class. In addition, your child may be asked to do push-ups for admittance.

If you bring your child late for a test, your child will need to test at a later date.

There are NO exceptions to these rules. So, in order to not disappoint your child, **get** them here on-time.

Master DonVito says,
“The Karate 4 Kids USA 2010
Tournament is here!
