New Belts For A New America

We are constantly working at improving our students, our studio and ourselves. Moving to the next stage of our constant evolution, we are pleased to announce our new belt system. All the previous belts will remain intact but we have added new levels to allow all of our students to take full advantage of the goal-setting paradigm built into the martial arts belt system, while holding all our students to a high standard. Wear the new colors with pride. Tang Soo!
