

JULY 2008 NEWSLETTER

You have to love a nation that celebrates its independence every July 4, not with a parade of guns, tanks, and soldiers who file by the White House in a show of strength and muscle, but with family picnics where kids throw Frisbees, the potato salad gets iffy, and the flies die from happiness. You may think you have overeaten, but it is patriotism. -Erma Bombeck

New Belts For A New America

We are constantly working at improving our students, our studio and ourselves. Moving to the next stage of our constant evolution, we are pleased to announce our new belt system. All the previous belts will remain intact but we have added new levels to allow all of our students to take full advantage of the goal-setting paradigm built into the martial arts belt system, while holding all our students to a new, higher standard. Wear the new colors with pride. Tang Soo!

Water = Life

It's okay to sweat. Just remember: Our bodies are over 70% water. Let's keep it that way, shall we? Please bring water to class every time. Chug-o-lug a bunch before every workout.

Congrats to these rising stars who all got promoted in June:
